

Northridge Academy High School (NAHS)

Parent Center

Mission: The Parent Center is committed to providing parents, students, and the school community with resources in efforts to build the bridge between home and school in order to improve student achievement and ensure student success.

Did you know the Parent Center...

- Assists parents in staying connected with the school and their child's learning progress
- Provides parents with resources to help support decisions about their child's education
- Assists parents in communicating with their child's teacher
- Conducts workshops to keep parents informed
- Assists parents parent portal technical support
- Provides parents with information for participation in school committees (English Learner Advisory Committee, School Leadership Council, School Site Council)
- Provides parents and students with school/teacher contact information, school schedules, and dates of upcoming meetings/events
- Assists parents in communicating with their child's teacher
- Provides students with resources to support educational goals
- Provides parents and students with community resources (i.e.: driver's education, student work permits)
- Provides information for volunteer opportunities with the school and organized groups (Friends of NAHS, school clubs)

Parents are always welcome at NAHS Parent Center (Room 101), where they will be greeted, and offered support and services.

Raquel Avila,
Parent Center Director
